British Primary School of Wilanow to offer world-class Cambridge Primary curriculum

British Primary School of Wilanow has been approved by Cambridge Assessment International Education to offer its world-class Cambridge Primary programme.

Cambridge Primary is an international education programme taught in more than 1300 primary schools in over 110 countries around the world. It is typically for learners aged 5 to 11 years, and develops skills and understanding in English, mathematics, science, ICT and Cambridge Global Perspectives – a cross-curricular subject that inspires learners to be curious and think independently.

Assessment tools are built into Cambridge Primary to help teachers identify learners' strengths and weaknesses and monitor their development as they progress through primary education.

Christine Özden, Chief Executive of Cambridge Assessment International Education, said: "We are delighted to announce that British Primary School of Wilanow has joined our global community of Cambridge Primary schools and we look forward to a long and productive relationship with them. Cambridge Primary starts learners on an active and creative educational journey, building a solid foundation for later stages of education."

Tom McGrath, Principal, added: "This recognition and accreditation adds another dimension to BSW's growing reputation and academic offering. I also thank Peter Davidson, Head of Primary, for leading this accreditation process so successfully in the school. BSW now begins the process of updating its curriculum offer in line with Cambridge standards and will be ready to provide this enriched curriculum and assessment offering for the academic year 2019-2020."

About British Primary School of Wilanow

BSW is an international primary school for pupils from Nursery to Year 9 and it offers an exciting option for families in Warsaw. BSW is the first COBIS Compliant School in Poland and it prides itself on its warm welcome, its family atmosphere, its small class sizes and individual attention. It also has a very strong reputation for academic rigour and excellence with a culture of respect, courtesy and good manners. Set on the edge of glorious countryside, yet still in the heart of fashionable Wilanow, the school campus is a modern one with ambitious plans and with the resources and space to grow and develop. Values are at the core of everything we do at BSW, and are expressed through our code of conduct, the Walk of the Lion.

About Cambridge Assessment International Education

Cambridge Assessment International Education prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of the University of Cambridge.

Our Cambridge Pathway gives students a clear path for educational success from age 5 to 19. Schools can shape its curriculum around how they want students to learn – with a wide range of subjects and flexible ways to offer them. It helps students discover new abilities and a wider world, and give them the transferable skills they need for life, so they can achieve at school, university and work.
